

AMUT - LUISO S.L. | New Cooperation in Spain

LUISO

Novara, Italy – (8 November 2023) - AMUT is pleased to announce that its capillary global presence has further expanded through a long-term cooperation agreement with the local Spanish company LUISO S.L. The newly established partnership aims to strengthen AMUT's footprint in the recycling, as well as cast film lines sectors and related services.

AMUT with 65 years of experience, a strong international network of local offices and agents, a team of highly qualified engineers and technicians and hundreds of references in all types of installations, has achieved a world leading position in the design and supply of extrusion, cast and recycling solutions.

The Spanish market is fully and duly served through our Headquarters and now in close collaboration and synergy with LUISO S.L, located in Spain.

However, in order to be able to provide a professional and faster response to any of our customers' needs, in recycling and cast film lines, we have managed to establish a partnership with the local Spanish company LUISO S.L.

LUISO S.L. has been involved in the world of plastics for 58 years and its highly qualified team has extensive experience in turn-key projects, with several references, and a broad range of solutions used in industrial applications.

LUISO S.L., under constant and careful supervision of AMUT, thanks to its great experience in this field and local presence, will market the company's product, assist in the qualifications, meetings and negotiations with clients.
