

AMUT will exhibit at GREENPLAST 2022

(Novara, Italy – 1 April 2022) - AMUT is pleased to welcome you to Greenplast 2022, the event dedicated to sustainability and circularity in plastics, taking place 3-6 May 2022, at Fiera Milano, Rho-Però, Italy.

We cordially invite you to our booth B62 C61, to learn more about our highly performing recycling technology, suitable to respond to the most demanding plastic industry requirements.

“We are delighted to be part of this new event focusing on environmental sustainability and the circular economy” said Mauro Drappo, AMUT CEO. “We really look forward to the exhibition to meet our clients and prospects in person again and discuss how they can benefit from our custom-engineered recycling solutions.”

Join us and be part of the event, to network with the most eminent professionals engaged in the plastic industry and stay up-to-date with new challenges and opportunities within the plastics recycling sector.
