

AMUT will exhibit at Chinaplas 2024

(Novara, Italy – 5 March 2024) - AMUT is glad to announce that will exhibit at Chinaplas 2024, the International Exhibition on Plastics and Rubber technology, taking place 23 - 26 April 2024, at National Exhibition and Convention Center (NECC), Hongqiao, Shanghai, PR China. Our experts will be glad to welcome you at booth 2.1C101 and introduce AMUT extrusion lines suitable for the production of foils and sheets, waterproofing membranes, pipes and profiles; cast lines for stretch film. Our team will be available also to discuss about your requirements for the design and construction of plastic recycling plants for PET/HDPE/PP bottles, containers and PE film; facilities for the waste recycling industry, including material recovery from post-consumer waste, plastic recovery from post-consumer plastics and Industrial and household waste sorting and recovery. Join us and be part of the event, to network with the most eminent professionals engaged in the plastics industry.

We eagerly look forward to meeting you there!

About AMUT

AMUT, established in 1958, is a global plastic processing, recycling and waste sorting & recovery systems designer and manufacturer. Over the years the company has evolved considerably providing customers with an increasingly extensive range of high quality Extrusion and Recycling, turn-key plants and related Services. The world Headquarters and production facility is AMUT S.p.A. which is located in Novara (Italy). Candelù (Italy) completes the manufacturing sites. Operating globally, the offices and customer service centers are strategically located in U.S.A., Canada and South East Asia. This international presence is further enhanced through an efficient worldwide agent network. Learn more at www.amutgroup.com.
