The banner features a photograph of a woman with glasses and a blue lanyard smiling at a trade show booth. In the background, another woman is visible, and a screen displays social media hashtags: #reComp, #WasteMana, #CircularE, and #Su.

(Novara, Italy – 16 May 2023) - AMUT is glad to announce that will exhibit at Plastics Recycling World Expo, the International Expo for plastics recycling, taking place 14 - 15 June 2023, at Messe Essen, Essen, Germany.

Meet our experts and learn more about our Sorting Plants for plastics, paper, RDF and many other materials, as well as Plastics Washing Plants suitable for the recovery of PET bottles, HDPE containers, LDPE film.

Don't miss the European appointment with the plastics recycling industry and visit our stand B942.

We look forward to meeting you in Essen!

About AMUT

AMUT, established in 1958, is a global plastic processing, recycling and waste sorting & recovery systems designer and manufacturer. Over the years the company has evolved considerably providing customers with an increasingly extensive range of high quality Extrusion and Recycling, turn-key plants and related Services. The world Headquarters and production facility is AMUT S.p.A. which is located in Novara (Italy). Candelù (Italy) completes the manufacturing sites. Operating globally, the offices and customer service centers are strategically located in U.S.A., Canada and South East Asia. This international presence is further enhanced through an efficient worldwide agent network. Learn more at www.amut.it.
