

## The AMUT Group participates in PRS Europe virtual event

### Washing and Recovery Technology for Plastics

(Novara, Italy – 23 November 2020) – The AMUT Group is delighted to invite you to meet us at PRS Europe virtual show that will be held 9 - 11 December 2020.

We will be glad to discuss about our comprehensive range of Recycling Plants and patented equipment, as well as after-market service, for the plastics and recycling industry. If you wish to know how you could enjoy benefits of our highly performing, water saving and energy efficient systems, do not forget to register on the PRS Europe platform to interact with us. Should you need additional information or updates concerning our solutions and service please link to our website [www.amutgroup.com](http://www.amutgroup.com) or connect to AMUT page on LinkedIn <https://www.linkedin.com/company/amutgroup>

#### About AMUT

AMUT (Apparecchiature Macchine UTensili), established in 1958, is a global plastic processing, recycling and waste sorting & recovery systems designer and manufacturer. Over the years the company has evolved considerably and become a group providing customers with an increasingly extensive range of high quality Extrusion, Thermoforming, Recycling, Flexo Printing and Converting machinery, lines, turn-key plants and related Services. The world Headquarters and production facility is AMUT S.p.A. which is located in Novara (Italy). Candelù (Italy) and Vigevano (Italy), complete the manufacturing sites. Operating globally, the group's offices and customer service centers are strategically located in U.S.A., Canada and South East Asia. This international presence is further enhanced through an efficient worldwide agent network. Learn more at [www.amutgroup.com](http://www.amutgroup.com)
