

AMUT will be at PETCORE ANNUAL CONFERENCE 2024

AMUT LESS WATER CONSUMPTION LESS ENERGY COSTS

FRICION WASHER

Intense washing of PET/HDPE/LDPE flakes • Efficient removal of all pollutants

 PATENTED TECHNOLOGY

PET HDPE LDPE

PROCESS WITH CONTINUOUS WATER FILTERING

(Novara, Italy – 9 January 2024) - AMUT is glad to announce that will participate, as Gold Sponsor, in Petcore Europe Annual Conference, to be held 7-8 February 2024, in Brussels, Belgium.

During the event, our experts will be eager to meet with you and illustrate AMUT's PET recycling solutions, emphasising process efficiency and outstanding performance to ensure high quality flakes.

Do not miss the key European event which gathers players from right across the PET value chain!

Petcore Europe Annual Conference 2024

7 - 8 February 2024, physical event, Brussels

About AMUT

AMUT, established in 1958, is a global plastic processing, recycling and waste sorting & recovery systems designer and manufacturer. Over the years the company has evolved considerably providing customers with an increasingly extensive range of high quality Extrusion and Recycling, turn-key plants and related Services. The world Headquarters and production facility is AMUT S.p.A. which is located in Novara (Italy). Candelù (Italy) completes the manufacturing sites. Operating globally, the offices and customer service centers are strategically located in U.S.A., Canada and South East Asia. This international presence is further enhanced through an efficient worldwide agent network. Learn more at www.amut.it.
